We cannot think of a better way to support our football teams than with a Cheer Squad. We are so excited for the upcoming Fall Football Season. Cheerleaders will begin practice on Tuesday August 15th 6:00p.m. Bell Memorial Park. We are still in negotiations with several uniform vendors trying to secure the best possible price and quality for our cheer uniforms. The uniform will consist of top, skirt, jacket and pants (for the cold weather) bow, bag and cheer practice t-shirt. There will be two uniform fittings held during the summer for cheerleaders to purchase uniforms. Uniform fittings will be held on **Tuesday, June 6th, 2017 from 10:30 am until 12:30 and Saturday June 10, 2017 from 5pm until 7pm.** These are the only dates available for uniform fittings.

Our uniforms are custom made with a 3-6-week turnaround time. We cannot guarantee that anyone who orders uniforms after these fitting will receive their orders before the first game of the season **All items must be paid for at the uniform fitting. Checks should be made out to NFL.** We strongly recommend that girls wear a swimsuit under their clothes for both try outs.

In Observance of Breast Cancer Awareness: This year we will support Breast Cancer Month in October by using pink poms and wearing pink hair bows. To support this initiative, we will also collect \$30 on the first day of Practice Tuesday August 15th to cover those items.
