

CL!X Sports Photography is proud to be partnering, as the official photographer, with The Milton Steelers for the 2017 Fall Football and Cheer season.

Individual & Team Pictures for will be taken Sunday (9/10).

The League encourages **everyone** to take an individual picture, even if not ordering at this time. Every child will receive a FREE Photo Button as a thank you for participating in picture day.

An Order Form is attached, so you can see some of the packages and items offered this season. There will also be sample items displayed at the field and a customer service person to answer any questions.

You may notice on the Order Form, that there is an option to get the Individual Photo image e-mailed with a full copyright release. This is something unique in the industry, and a great option for those who wish to send photos electronically to family and friends via email or post on Social Media sights such as Facebook and print on your own.

If you have any questions prior to picture day, please do not hesitate to contact us.
